

# Couch Garden

## Supplies you'll need

crayons

scissors

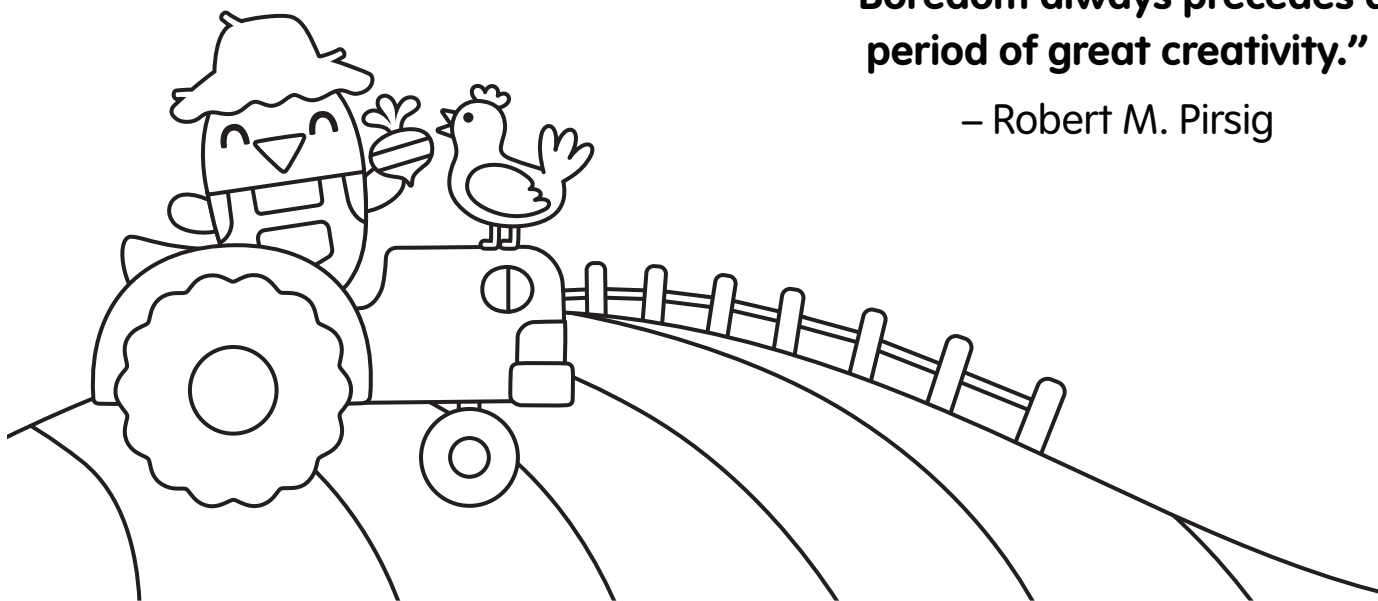

glue

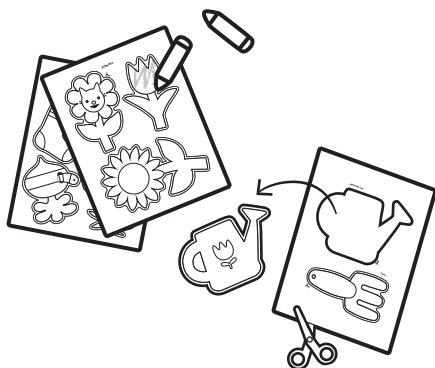

cardboard

**"Boredom always precedes a period of great creativity."**

– Robert M. Pirsig

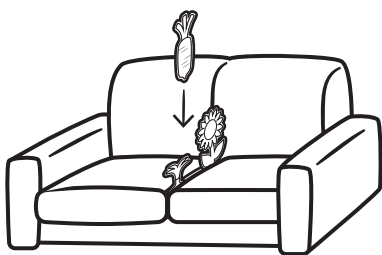

## Instructions

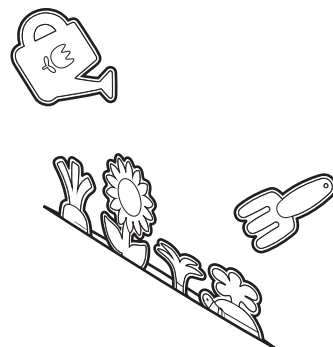

### 1. Print, color, and cut

Print out the activity and color it in. TIP: Glue the pieces on cardboard before cutting to make them sturdier!

### 2. Planting your garden

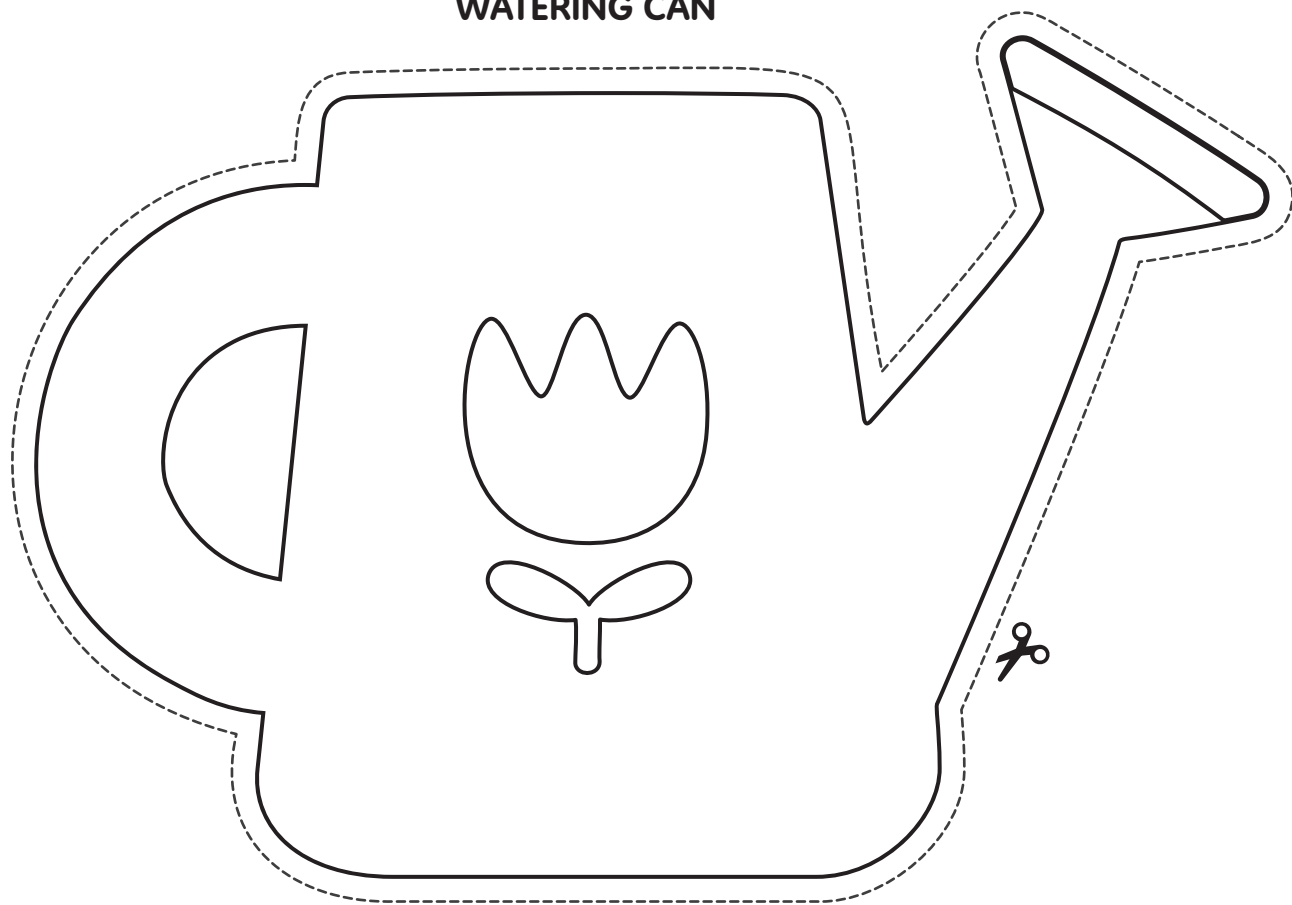

Take the veggies and flowers and stick them in the cracks of your sofa or armchair to plant a magical couch garden!

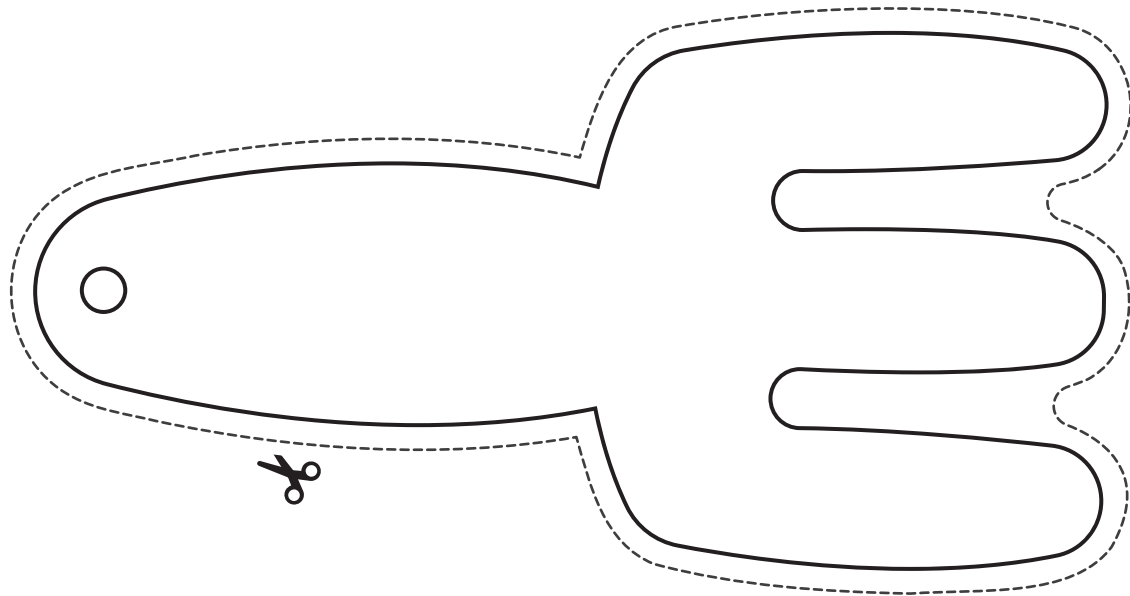

### 3. Harvesting

Use the included tools to help your veggies grow. Dig up your veggies to sell at the market.
